Saturday 8th September 2018

Ride+Stride (R+S) is an annual event in which individuals and families are sponsored to walk, cycle or ride a horse between churches, whilst exploring our wonderful Dorset countryside and enjoying a chance to visit our rich heritage of church architecture. Families or groups of friends report having a lot of fun in remote rural settings or the quiet back streets of our towns discovering churches that they scarcely knew existed.

Half the money raised (a record £86,000 in 2017) is devoted to conserving the fabric of churches, chapels and meeting houses of all Christian denominations in Dorset and to helping them remain at the heart of their communities. The Trust returns the other half to the churches nominated by the participants where it may be used for upkeep and repairs.

Please take a leaflet and visit our website at www.dhct.org.uk for full details of R+S and the work of the Trust. Please support a rider or strider either directly or by pledging through their Just Giving webpage at www.justgiving.com/dhct
